

WHAT WE ARE ASKING OF OUR EMPLOYEES

#1. Stay home or leave work if feeling ill, consult doctor for testing if sick and report results to employer

#2. Wash your hands often with soap and water for at least 20 seconds; use >60% alcohol-based hand sanitizer per CDC

#3. Avoid touching eyes, nose, and mouth

#4. Wear appropriately fitted face mask/covering

#5. Use Service Gloves

#6. Use appropriate cleaning products and supplies

#7. Follow protective measures and posted sanitation guidance

#8. Disinfect high-touch surfaces frequently

#9. Maintain a minimum of 6 feet away from anyone as often as possible

#10. Ask your manager if you have any questions/concerns
